

23g Mi Kids Back on Track Program

The objective of 23g is to address unfinished learning, get students to grade-level academic standards, provide additional academic assistance to students at risk of falling behind their peers, and/or help high school students prepare for postsecondary education. If you are the parent or legal guardian of a student within Ida Public Schools and would like more information regarding the programs funded by 23g Mi Kids Back on Track, please contact us using the information below.
