WHY?

Your potential job options increase with a college degree.

- 32% of jobs in the U.S. require an associate or bachelor's degree
- An additional 14% require a master's or professional degree.
- By earning a degree, you automatically give yourself the opportunity to apply for the 46% of U.S. jobs that now require a secondary degree.
-

The Future

By 2025, 60% of U.S. will need
some quality credential beyond
high school.
